May 20, 2009

Sir:

This is a request for reconsideration of the Decision on Petition, dated May 13, 2009, with respect to the Petition for Withdrawal of Erroneous Holding of Abandonment, filed December 7, 2007 and the Status Inquiry filed September 4, 2008.

The Senior Petitions Attorney, Ms. Johnson, is thanked for the courtesy extended the undersigned attorney during the telephone discussion of May 19, 2009 regarding the Petition, wherein Ms. Johnson noted page 3 of the Decision, pointing out that the showing of non-receipt was not sufficient

since practitioner, the undersigned attorney, only submitted a docket page for the replies of November 16, 2007, wherein the appropriate docket page would be the docket page for May 16, 2007.

Submitted herewith is a copy of the docket page of the master docket record for October 16, 2007.

As pointed out in the Petition filed December 7, 2007, the procedures of the office of the undersigned is that when an office action is received from the USPTO, a computer docketing system is updated and the end of the statutory period for response to the office action is docketed manually in the firm's main Docketing Book. A copy of the October 16, 2007 page of this Docket Book, which represents the end of the six month statutory period for response for an office action dated April 16, 2007, is now attached, and as is apparent, no record exists on such page of the office action for Serial No. 663,657 (Our Docket No.: 501.43143X00). Additionally, the undersigned attorney has reviewed the computer records and the file for the above-identified application, and submits that no indication of receipt of an office action dated April 16, 2007 for such application appears therein.

Petitioners submit that the office action dated April 16, 2007 for the above-identified application was not received in the offices of the undersigned, such that a response thereto could not have been made.

Accordingly, applicants submit that the Notice of Abandonment is erroneous based upon the facts, and the Notice of Abandonment should be withdrawn.

Petitioners submit that in light of the submission of the appropriate page of October 16, 2007 from the main Docket Book, and the statements

concerning the review of the computer records and the file for the above-identified application, the evidence for showing of non-receipt of the Office Action, as indicated in the Decision on Petition, have been satisfied.

Favorable action on this Request for Reconsideration of the Decision on Petition, is requested.

Please charge any shortage in the fees due in connection with the filing of this paper, to the deposit account of Antonelli, Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 501.43143X00), and please credit any excess fees to such deposit account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
